Customer Problem Statement Template:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Retail Store Manager	Increase product sales by placing products in the best locations.	Customers are not noticing many products, resulting in lower sales.	Product placement decisions are made without analyzing sales and promotional data.	Frustrated because sales and customer satisfaction are decreasing.
PS-2	Business Owner	Identify the best-performing products and promotions.	It is difficult to identify the best-performing products and promotions from raw sales data.	There is no interactive dashboard for data analysis.	Confused and unable to make timely, data-driven business decisions.

PS-1

PERSONA:
Retail Store Manager

I am Describe customer with 3-4 key characteristics – who are they?	I'm trying to List their outcome or "job" the care about – what are they trying to achieve?	but Describe what problems or barriers stand in the way – what bothers them most?	because Enter the "root cause" or why the problem exists – what needs to be solved?	which makes me feel Describe the emotions from the customer's point of view – how does it impact them emotionally?
A Retail Store Manager	Increase product sales by placing products in the best locations.	Customers are not noticing many products, resulting in lower sales.	Product placement decisions are made without analyzing sales and promotional data.	Frustrated because sales and customer satisfaction are decreasing.

PS-2

PERSONA:
Business Owner
